#### **ORANGE CONES? PUT DOWN THE PHONES!**

It's illegal to use a hand-held mobile device while driving through a Wisconsin work zone, and for good reason: Wisconsin sees an average of 2,000 work zone crashes annually.

To keep workers and drivers safe, it's important to reduce distractions and give undivided attention to the road.

Learn more about the law and how you can stay safe: http://bit.ly/NoPhoneWorkZone
