

# Rock County Land Information / GIS No Cost Data Sharing Agreement

## **Disclaimer:**

The maps and data provided are for informational purposes only. Rock County Land Information System disclaims accuracy and specifically advises that if specific and precise accuracy is required, it should be determined by certified maps, surveys, plats, or other official means. Rock County will not be responsible for any damages, which result from third party use of the data and maps herein, or for any use, which ignores this warning.

## **Metadata:**

Rock County has completed, and will deliver, dataset-related information such as currency, accuracy, compilation, scale, and contact information in a FGDC compliant metadata (.xml) file with each dataset when possible.

## **Citation:**

Any use of the provided information shall be accompanied with the following citation: "(Dataset name .shp/.lyr/.dxf/etc) created, maintained, and provided by the Rock County Land Information Program. Reuse of this data without permission of Rock County Land Information is prohibited."

## **Other Users:**

Recipient agrees not to provide the information identified in this agreement to secondary users, unless the user is a contracted agent of recipient in which case the provided information can only be used in completing contracted services.

## **Reciprocity:**

Recipient agrees to provide a description of data use, hardcopy duplicate, and digital copy of the product containing the supplied data by any contracted agent, if requested by the Rock County LIO/GIS Manager.

## **Requests and Pricing:**

Mapping products created by Rock County Land Information Program are available for purchase in hard copy and digital form for parties that have not entered into this agreement. Current price list is available from Rock County Land Information Program representative by request. Most products are available in ESRI shapefile format (.shp) and ESRI layer format (.lyr). In addition, data from some departments may be provided in other formats such as .dxf, .dwg, .xls, .dbf, jpeg, tiff, bmp, .pdf, etc. In most cases, digital data on floppy disk, CD, or DVD can be mailed within 5 working days of receipt of order.

## **No Cost Data Sharing:**

*This No Cost Data Sharing Agreement is intended to simplify the data sharing process and facilitate the exchange of geographic data between public and private entities. These entities share similar needs and services and the efficient delivery of geospatial information is in the best interest of the public's safety, education, and awareness.*

The undersigned parties hereby agree to the terms above and enter into a No Cost Data Sharing Agreement. The parties named below will freely exchange geographic data and information for the benefit of all parties. The responsibility for data updates resides with the recipient, not the supplier. This agreement will remain in force until either party receives official notice of cancellation.
